If you and/or your friend wish to share a double room in one of our dormitory/residence divisions—

You can each be \$150 richer!

Here's how it works—

The Roommate Referral & Application Program (RRA) is available to all new or returning members sharing a double room with another new or returning member of WCRI.

- Both application forms must state the other member's name in the "roommate preference" section of the application. It is preferred that both applications are submitted together.
- An RRA must be submitted within 10 days of receiving your applications. You are responsible for completing and submitting the RRA to the WCRI Main Office.
- Roommates must be pre-selected and accepted and make final payment before the rebate is paid.

Once WCRI is satisfied that all occupancy fees and incidental fees are paid in full, the Co-op will issue a cheque for \$150 to each pre-selected roommate.

If you receive reimbursement through the RRA, you are not eligible for reimbursement through the Tell-A-Friend Program.
